Welcome back to school Bobcat bus riders!!!! We in the transportation department are anxious to see everyone's smiling faces soon!

We are offering 4 bus routes this year.! Please see the bus route schedules below and posted on the Custer County Schools FaceBook page! Pick up and drop off times are estimated until ridership has been established. REMINDER!!! If you are late for the bus, DO NOT follow it and allow your student(s) to run to the bus from behind. It is very hard to see them coming alongside the bus. Plan to arrive at the scheduled bus stop 5 minutes early!! SAFETY IS OUR FIRST PRIORITY!!! Due to safety concerns, we will no longer offer bus stops on HWY 96 and HWY 69 with the exception of "in town" where the speed limit is 40mph or lower. PLEASE NOTE THE BUS STOP CHANGES FOR THE BOBCAT BUS AND THE EAGLE BUS!

If you have any questions or concerns, please contact the transportation director at traci.terry@ccbobcats.net or at 719 783-9779.

Thank you!
Traci Terry
