Welcome back to school Bobcat bus riders!!!! We in the transportation department are anxious to see everyone's smiling faces soon!

We are excited to offer 5 bus routes again this year! Please see the bus route schedules below and posted to the school website [www.custercountyschools.org](http://www.custercountyschools.org) and the Custer County Schools FaceBook page! Pick up and drop off times are estimates until ridership has been established. REMINDER!!! If you are late for the bus, DO NOT follow it and allow your student(s) run to the bus from behind. It is very hard to see them coming alongside the bus. Plan to arrive at the scheduled bus stop 5 minutes early!! SAFETY IS OUR FIRST PRIORITY!!!

If you have any questions or concerns, please contact the transportation director at [traci.terry@ccbobcats.net](mailto:traci.terry@ccbobcats.net)

Thank you!

Traci Terry
