

Custer County Schools

Hybrid Mode

2020-2021

The hybrid model is organized using the blue and yellow day model and students in middle school and high school are organized by last name.

Blue Day - Monday and Wednesday

Students with a last name beginning with the letters A-J will attend school in person on Monday and Wednesday in person when Custer County Schools is following the hybrid model. On Tuesday and Thursday students with a last name beginning with the letters A-J will be at home completing an independent learning day, which will include completing any and all assignments given the previous day. All assignments will be expected to be submitted to the teachers on the following blue day. (For example, papers assigned on Monday are due on Wednesday.)

Yellow Day - Tuesday and Thursday

Students with a last name beginning with the letters K-Z will attend school in person on Tuesday and Thursday in person when Custer County Schools is following the hybrid model. On Monday and Wednesday students with a last name beginning with the letters K-Z will be at home completing an independent learning day, which will include completing any and all assignments given the previous day. All assignments will be expected to be submitted to the teachers on the following yellow day. (For example, papers assigned on Tuesday are due on Thursday.)

During hybrid instruction, students who are not enrolled in a college level course are not required to attend Google Meets on independent learning days. However, it is important to note that attendance on your assigned day is mandatory and assignments will be graded accordingly. Students enrolled in college level courses may be required to attend Google Meets on independent learning days. Please contact your instructor for specifics regarding mandatory Google Meets.
